

Dear Community Member,

This spring, Smyrna's King Springs Elementary Foundation will hold a major fundraising event in order to provide Orton Gillingham reading training this summer for 25 teachers (\$4000) and then to start the funding for a new laptop cart (these run \$30,000). The Party for the Pride, will be held on March 9th, 2019 at Taylor Brawner Hall.

The King Springs Foundation is a nonprofit, volunteer organization established in 2009 to enhance educational opportunities for all students of King Springs Elementary School. Our main purpose is to provide all students with programs and capital improvements to maintain excellence in the classroom and beyond.

In order to reach our goals, we are asking for your help! We are looking for event sponsors as well as donations of items and gift certificates for our auctions.

- \$250-\$500 BLUE SPONSOR: recognition on main event signage and in program
- \$1,000 GOLD SPONSOR: two party tickets, recognition by M.C. during event, recognition on main event signage and in program
- \$5,000 LION SPONSOR: All of the above and customized marketing opportunities

Donations for silent or live auctions for both events

King Springs Elementary Foundation is a 501(c)3 and all donations are tax deductible. Our tax identification number is # 47-4333201 and a receipt will be provided to each donor.

In advance, we appreciate your consideration for donating to a very worthy cause – the children and families of King Springs Elementary thank you and I thank you.

Sincerely,
