

# Support The Pride

## King Springs Foundation's

### Annual Fundraiser

#### What is Support The Pride?

The King Springs Foundation has chosen not to ask families to sell items or to ask you to get sponsors for participation in an event. Instead, we hold a capital campaign to raise a majority of the funds we will need to support a number of programs and initiatives for the year.

**This Year's Goal is \$70,000.**

**Please give generously so that Springer can reach his crown.**

#### Where does the money go?

The graphic to the left details this year's funding priorities.

Foundation donations will provide resources that go above and beyond the Cobb County School District per pupil allocations. These funds will be used to maintain and extend our STEM certification, expand our technology resources, fund classroom teacher grants, and support ongoing King Springs initiatives.

#### What are the giving levels and rewards?

Every dollar counts. Please give as you are able.

The higher levels include the prizes at the lower levels.

#### Don't Forget The Matching Funds!

Some employers offer matching donations. If your employer does, you can count those funds toward your reward if you provide documentation that you have applied for the match.

Additionally, family members and friends may contribute toward your level. You may include those donations in your envelope. If sent separately donations must include your name, your child's name and grade along with the donation so that we can give you proper credit.
